About the Oil & Gas Awards

The Oil & Gas Awards recognize the outstanding achievements made within the upstream, midstream and downstream sectors of the North American oil and gas industry. The Awards are a platform for the industry to demonstrate and celebrate the advances made in the key areas of environment, efficiency, innovation, corporate social responsibility and health and safety. The Awards show the industry's motivation to develop by recognizing and rewarding the efforts of corporations and individuals. For more information about the Oil & Gas Awards visit the website: www.oilandgasawards.com
